

Help Give Kids A Chance

Did You know that brain development is 85% by age 5? That is why it is critical to provide early childhood education- so children enter school ready to succeed. A portion of the program is dedicated to educate parents on child development.

Proven Results:

Better Outcomes in education, health, sociality, economic productivity and reduced crime

- increased graduation rates
- higher job skills
- lower criminal justice costs
- lower drug use
- fewer single parents
- proven return on investment

Golf Gives Back is a non -profit organization overseeing the sales, operations and charitable giving component of the Korn Ferry Tour Championship presented by United Leasing and Finance. The Golf Gives Back Board has identified Early Childhood Education (High Quality Pre K / Child Development for lower income children) as our charitable giving focus for tournament proceeds.

We believe every child deserves the opportunity to develop into a healthy, contributing citizen. Your support of our mission and the Korn Ferry Tour Championship will help us give kids a chance they deserve. The program is administered by 4C of Southern Indiana and has a proven return on investment with proven results. It takes \$6800 to provide quality care for a disadvantaged child for one year. Proceeds are allocated to Vanderburgh, Warrick and Posey counties but could be earmarked in the regional area by the donor.

Tournament proceeds are used to fund this initiative as well as other fundraising efforts by the Golf Gives Back Board throughout the year. We accept and encourage individual donations at GGBKids.org
